Counselor's Corner

Middle School years can be a challenging time for many children. I found a really helpful website that discusses many "tween" issues. Go to http://tweenparenting.about.com, you can search many different topics such as friendships issues, puberty, how to write a cell phone contract with your child, relational aggression, what to do when your tween's friends are taking a bad path towards drugs and alcohol, etc… You can also sign up for a free tween newsletter on this website. It has many great suggestions for parents.

As summer is approaching a great free website with kids educational computer games and activities is www.abcya.com, check it out!

Another fun website is www.activitiesforkids.com, it has many fun ideas to keep kids thinking and having fun at the same time.

Parents of 1st, 2nd, and 3rd grade students look for them to bring home a book about bullying this week. It is called Rose's New Shoes. This book is great for parents and kids because it initiates a conversation about bullying. **Please take some time to read this story and have a discussion with your child.**

"Alice in Wonderland" Auditions Scheduled

Lake Country Children's Theater announces auditions for Prairie Fire Children's Theatre's original musical adaptation of "Alice in Wonderland." This adaptation continues Prairie Fire's tradition of presenting classic tales as you've never seen them done before in only one week's time from auditions to performances.

"Alice in Wonderland" is LCCT's thirteenth annual summer production sponsorship for area children. Auditions will be held on Monday, June 18th at 12:00 noon at Arrowhead High School North Campus Theater, 800 North Avenue, Hartland. Registration will take place at that time with auditions to follow. Lake Country Children's Theater is charging a $35 fee per cast member to defray the cost of the production. The fee will be collected at registration.

Up to 83 local young people are needed to play the roles of Alice, The White Rabbit, The Duchess, The Cook, The Cheshire Cat, The March Hare, The Dormouse, The Jack of Hearts, The King of Hearts, The Caterpillar, Tweedledum, Tweedledee, The Deck of Cards, The Flowers, and The Birds. Two professional actors/directors from Prairie Fire's staff will cast and direct the production. The Queen of Hearts and The Mad Hatter will be played by the Prairie Fire directors.

Auditions are open to anyone age 7 through 18. The audition process lasts approximately two to two and a half hours and all those auditioning are required to be in attendance the entire time. No preparation is necessary to audition. The cast will be announced at the end of the audition. A portion of the cast will be required to stay following auditions for a short rehearsal.

Rehearsals will be held from 12:30 p.m. to 4:45 p.m. Tuesday, June 19 through Thursday, June 21, and 3:00 p.m. until curtain time on Friday, June 22. Attendance is mandatory at each rehearsal. Performances are on Friday, June 22, at 7:00 p.m. and Saturday, June 23, at 2:00 p.m. at Arrowhead's theater.

Tickets for the performances are $3 each and will be available at Hartland Piggly Wiggly the week of June 18th and at the door.

This week-long PFCT residency is being sponsored by Lake Country Children's Theater.

When: August 6-10, 2012; 8-11am or 11am-2pm daily*

Location: Stone Bank School gymnasium

Ages: 6th & 7th grade girls (going into this grade Fall 2012)

Cost: $50

Coached by: Adam Holton + coaches from the Arrowhead Basketball Club

*Based off of expected demand, we are planning to hold two sessions daily to ensure good coach/player ratio. You can id preference for timeslot below

We are excited to again offer a basketball camp experience solely devoted to developing the skills of 6th/7th grade players. The program will focus on **individual skill building** and **small sided (2v2, 3v3) play**. The goal will be to give the kids the drills and have enough repetitions to give them the tools to become significantly better basketball players.

Set up for new AND experienced players, this program WILL NOT be just an exposure to the facets of the game. Rather, it will use **instruction and repetition** to truly develop skill and competence in the most important individual areas. This camp is not a team/game camp, but can be used to augment other experiences, or as a stand-alone.

The camp will be limited to 48 players only (24 in each daily session), so please return your form & payment (make checks out to Adam Holton) as soon as possible. You will receive an email confirmation for the camp, which will include which session your daughter is in (will try our best to match the time session with preference indicated below). Contact Adam Holton (adam.holton@ge.com) with any questions you have.
