January 2, 2018

Welcome Arrowhead High School Class of 2022!

During this exciting new beginning, it is important that appropriate, informed decisions regarding course selection be made. To assist with that process, Arrowhead will be offering an orientation program for freshmen entering in Fall of 2018 on Tuesday, January 23rd and Wednesday, January 24th. The purpose of orientation is to provide clarity in the course selection process and answer specific questions.

Each orientation session will begin in Arrowhead's South Campus library. Afterwards, staff members from various departments will be available in the cafeteria from 7:15 to 8:45 P.M. to answer questions regarding their subject area. Student representatives from co-curricular activities will also be available to answer questions. Two presentations will be given each night; we ask you to attend during your assigned time slot if possible. Although we would like to make these sessions available to all family members, we must limit them to incoming freshmen and their parents, due to space constraints.

Course selection materials from the Arrowhead School Counseling Office will be distributed to your child at their current school (public feeder schools only) during the week of January 15th. Arrowhead staff will be available in the cafeteria to answer questions regarding program selection.

The evening's schedule is as follows:

Tuesday, January 23rd

6:15-7:00.....	All Private/Parochial Schools and Open Enrollment Students (Registration materials will be distributed at this time)
7:30-8:00.....	North Shore Middle School & Stone Bank

Wednesday, January 24th

6:30-7:00.....	Merton & North Lake
7:30-8:00.....	Swallow, Richmond, Lake Country

We look forward to working together to make this coming school year a success.

Sincerely,

Gregg Wiczorek
Principal
