

Dear middle school students,

Welcome to the art room! I am so thrilled to be your art teacher here at Stone Bank School for the 17-18 school year as well as offer you an exciting after school opportunity! This year, an after school Art Club will be offered for anyone in grades 6th-8th. Our first session will be held on **Monday, September 18th**.

We will meet **every Monday** in the art room from **2:30-3:30 p.m.** This allows us a total of 32 sessions throughout the school year. If for any reason, a cancellation needs to be made on my part, I will try to notify parents as soon as possible via e-mail and reschedule a make-up date for that week. We will not meet on the weeks that students do not have school on Mondays.

Each session may be different or carry over from the week prior. We will work on a variety of projects both individually and sometimes as a large group. These projects will range from practicing basic artistic skills to large scale pieces for our school or community. Projects will be determined as a group after our first session is complete. All supplies along with a light snack will be provided for all who attend each session.

A **\$30.00 fee** is required to join. This will help to provide all supplies, weekly snacks and help fund any extra activities/trips for participants. Please provide a check or cash with the attached permission slip.

I look forward to working with you!

Ms. Richardson

Please return the attached permission slip and \$30.00 to Ms. Richardson's mailbox no later than Wednesday, September 13th.

# ART CLUB PERMISSION SLIP

I give my child \_\_\_\_\_, (Grade)\_\_\_\_\_, permission to attend after school Art Club at Stone Bank School.

Print name \_\_\_\_\_ Signature \_\_\_\_\_
