- < 5 Indicates less than 5 cases to protect the privacy of individuals

\*Attendance Reminders: Parents please remember the following important steps:

- Perform the Required Daily Symptom Check!
- Report ALL Absences to the Office.

\*This chart is updated weekly based on student and staff attendance data. As students/staff return from quarantine and isolation, they are removed from the school and district counts. Confirmed cases or number in quarantine less than five at a school are not reported to protect the privacy of our students and staff. A historical graph (coming soon) of case and quarantine data is provided to offer context of the disease impact over time.
