

Dear Parent or Guardian,

October 20, 2026

This letter is the first of many communications Arrowhead High School will send you regarding your son or daughter's transition to the high school next year. Let me be the first to welcome your family to Arrowhead! To ensure a smooth transition we need to begin the enrollment process early. This letter has information on two important topics: New Student Online Enrollment to AHS and Parent Informed Choice for certain classes in 9th grade.

ARROWHEAD HIGH SCHOOL ONLINE ENROLLMENT PROCESS:

The New Student Online Enrollment form for the 2027-28 school year will be available **November 2 - December 16, 2026** specifically for enrolling students who will be incoming freshmen during the 2027-28 school year. **ALL STUDENTS WISHING TO ATTEND AHS MUST COMPLETE THIS ENROLLMENT PROCESS. THE ONLY EXCEPTION ARE CURRENT 8th GRADERS WHO ARE ALREADY ENROLLED TO AHS THROUGH EARLY ENROLLMENT FOR MATH.**

Here is the link to the [AHS Website](#) - New Student Online Enrollment Information and form.

Additionally here is a [helpful guide](#) as you complete the enrollment form.

If you need help or have questions, contact **Michelle Hill** at hill@arrowheadschoools.org or **262.369.3611 ext. 4114** for assistance.

Parents/guardians of *non-resident* students currently attending an Arrowhead feeder district interested in attending Arrowhead through Open Enrollment should also complete the New Student Online Enrollment Process **first**. Please see our [Open Enrollment web page](#) for additional instructions to complete the Open Enrollment process. The Open Enrollment form is available in February. Completing the Open Enrollment form/process does not guarantee enrollment. For assistance with Open Enrollment, please contact Kate McGraw (mcgraw@arrowheadschoools.org).

COURSE SELECTION AND “PARENT INFORMED CHOICE”:

Arrowhead High School supports “Parent and Student Informed Choice” for choosing coursework in **Science, English, and Social Studies for 9th grade**. This means students can choose the level of rigor that is right for them. Additionally, teacher recommendation will be used to guide selections in Math and World Languages. Please read this [booklet](#) for more detailed information about courses for freshmen in these subject areas. More information will be shared at the Incoming Freshmen Orientation scheduled for **January 20, 2027** where all course and program options and requirements are explained in detail.

The Pre ACT 8/9 is required for students considering Honors/ Accelerated and Advanced Placement courses as a freshman in these subjects. The Pre ACT 8/9 is not a placement test. Counselors and teachers use the results of the assessments in working with students to determine if advanced coursework in these subjects is right for them. Students will be taking the Pre ACT 8/9 in their middle school. More information will be shared directly from your feeder school regarding dates and times of the assessment.

If you attend a school from outside the district, a private school, or are homeschooled, please complete [THIS FORM](#) by November 20 to register for the Pre ACT 8/9. Feeder school students who miss the Pre ACT 8/9 date in their feeder school could use this date for make-up. For these students, the in-person/paper-pencil assessment will be conducted at **Arrowhead South Campus on Monday, November 23, 2026 from 8:30-11:00.**

If you have any questions, please do not hesitate to contact me.
Looking forward to welcoming the Class of 2031!

Sue Casetta
